

Provocative sentences - everyday situations

You can copy and cut out these sentences and distribute them to the participants for practice.

I am not saying anything more now.

Always the whining, you can't even do what I want!!!

I could freak out!!!

Why do I always have to empty the dishwasher?

You don't have a clue at all.

You're way too slow. We'll never finish this way!!!

You just have to accept some things

I will show you what happens when you go on like this.

It's no use. I can see that right away.

I can't rely on you!

You're not listening to me at all.

You should know better

I think you're crazy. You can do on your own.

Think first, then talk

I won't do it!!!

You are all thumbs - let me try this do!!!

You're late again. Can you in time be for once?

Silence - the other one says nothing

Enough, I'm leaving!!!

I had no choice. I'll do it always so and this is how it is done!!

It's always the same.

You are totally incompetent!

What a nerve! You always twists the words in my mouth.

It's your fault, because you don't keep agreements.

You lie!!!

If you continue like this, I can leave right away.

You can't do that to me.

That's just the way I am!!

You must learn not to be so selfish.

I will show you what happens, if you keep this up.

I'm allowed to talk out here.
